Reikiman

Duane Flowers · Wednesday, June 4th, 2008

In the spirit of **Superman, Batman, Spiderman**, and even **Ironman**, I present to you... **Reikiman... a superhero for the enlightened age**, harking from the Mountain of Kurama in the Land of Japan. :lol:

Every **Superhero** had/has an alter-ego... **Superman** had **Clark Kent**, **Batman** had **Bruce Wayne**, **Spiderman** had **Peter Parker**, **Ironman** had **Anthony Stark**. Of course, until the movie comes out, **Reikiman's** true identity will have to remain a secret... you wouldn't want me to spoil the movie for you... would you? **Perhaps its your very own Reiki Master!!**

Every **Superhero** had/has an arch-enemy... **Superman** had **Lex Luthor**, **Batman** had **the Joker, the Penguin and the Riddler (take your pick)**, **Spiderman** had **Peter Parker**, **Ironman** had **Obadiah Stane**. **Reikiman's** nemesis is too important to name... but think about it... which political or religious or economic leader MOST wants man to stay unenlightened? Who has the most to gain be keeping man in the dark? You got it!!

Every **Superhero** has a **Superpower** or **Superpowers...** **Superman**

is made of steel and he can fly, **Batman** has all those cool gadgets, **Spiderman** has the reflexes and web producing abilities of an arachnid, **Ironman** has that cool suit (and all that money). **Reikiman** has the power of healing along with the superpowers that Yogis refer to as **Siddhis** that are switched on when one reaches an enlightened state.

Every **Superhero** has a raison-d-etre (a reason for being) and of course Reikiman exists to help as many people become enlightened as humanly (or superhuman!) possible. It is perhaps summed up best in his motto: **Healing, Compassion and Enlightenment for All!!!**

Are you a Reiki Superhero? Have you ever met one? Can you see the need for one? Have I gone completely off the deep-end on this one? Inquiring minds want to know!!! :shock:

The need for a superhero is all around us...

Today's world needs it more then ever. I think in our own little ways we all are Reiki superheroes, even though we might never really know it...
